OCT. TRANSITION

USO-Metro has developed a robust selection of programs designed to develop the professional and personal skills needed to thrive in the military-civilian transition.

This month, career experts join industry professionals in fine-tuning federal resume writing and elevator pitches, VA benefits breakdowns, and a networking and career night with Booz Allen Hamilton.

Our program partners are critical to the success of our transitions events—their career knowledge and industry expertise allow us to greatly expand professional skills and opportunities for our members.

METRO JOINS MILITARY WOMEN'S MEMORIAL'S 9/11 REMEMBRANCE RELAY

From September 5th to the 11th, the Military Women's Memorial paid tribute to the women lost in the 9/11 terrorist attacks, and the 177 servicewomen who have died in combat since, with a 177-mile 9/11 Remembrance Relay. USO-Metro was honored to be a partner and a participant in this incredible event.

During the 17 miles USO-Metro traveled, we remembered women who made the ultimate sacrifice in service to our nation. We appreciate for this opportunity and those we can create for our servicemembers and their families through the support of the Military Women's Memorial.

USO-METRO CLUB AT FEDEX FIELD OPEN FOR 2021 WASHINGTON NFL SEASON

Our foam fingers are dusted off and our throwing arms are stretched because the NFL is finally back from the fan hiatus - and that means tailgating. Our members bring team allegiances from across the country to the DMV, but our long-time partner and supporter, the Washington Football Team, still makes them feel right at home.

At the USO-Metro Club at FedEx Field, active duty and veteran military and their families can enjoy an exclusive, free tailgate at every WFT home game with tons of food and activities to get them in the football spirit. [Click here](#) to check out everything the team does for our armed forces
