DEVELOPMENT PROGRAMS

HARRIS TEETER KICKS OFF 2022 ROUND UP

Since 2012, **Harris Teeter's** annual **Support Our Troops Campaign** has raised **over $10 Million** for our nation's military and their families. They're continuing that commitment this year with another **Round Up Campaign from April 6th to June 14th**.

Every customer will have the option to round up at the cash register and donate with all proceeds benefiting your local USO. These funds will not only help to maintain current programs and facilities, but also to implement new programs and events based on the ever-changing needs of our military families.

This campaign is critical to the mission of the USO, and **we are eternally grateful** for the work Harris Teeter has done to support it.
