Metropolitan Washington-Baltimore

USO-Metro Donation Drive Opportunities

Did you know: Over 50% of all contributions made to USO-Metro are in-kind? In-kind donations are vital to the success of our day to day operations!

The USO of Metropolitan Washington-Baltimore supports local service members and their families through a wide variety of opportunities. The diversity of our programs, services, and events offers a universal appeal to the population we serve. In order to best connect our military members to our community, we are continuously shaping programs and services around the needs our local service members.

Like our efforts to best shape the way we support service members, we are doing the same for our partners! We're offering a number of unique opportunities for your company to support our mission. On a quarterly basis, we will be identifying shortages in items that impede our overall effort to best serve our community. Every shortage is an exciting opportunity for your company to get involved and assist our armed forces. Our three needs this quarter are listed below. Please let us know if you feel your organization would excel at collecting different items!

GAS CARD DONATION DRIVE

With a fleet of vehicles, USO-Metro is able to transport service members to off-site, morale-boosting events. From taking troops to professional athletic events to taking Wounded, Ill, and Injured service members to off-base retreats, this time off base is incremental in our mission to connect service members to their community. Each gas card gives us that opportunity to further our mission.

XBOX ONE VIDEO GAME DRIVE

Video gaming is easily one of the most popular activities amongst American service members. Since the installation of XBox One gaming stations at our centers and lounges, there has been a noticeable increase in engagement and connectivity among both members and families. These consoles provide a platform to engage and relax with peers. Begin your drive today!

BOARD GAME DONATION DRIVE

You will often see families or service members partaking in intense board games any night you visit a USO-Metro Lounge or Center. From chess to Monopoly, these games create more opportunity to spend time with family or getting to know your peers. They are the cornerstone of every Family Fun Night and Lounge Game Event. Your company could make all the difference today!
